

Our member guidance and covid-19 risk assessment will be published on our website this weekend [www.nsvc.co.uk](http://www.nsvc.co.uk)

Our membership forms will be online from the 24<sup>th</sup> August

Due to covid-19 measures we have additional responsibilities for member safety and for wider public health. We have followed government and Volleyball England guidance to ensure we are being responsible, this includes the appointment of a covid-19 officer & training for all of our coaches.

**As a result:**

- 1. To train you must be a member, having completed the online membership forms and made an initial payment to the club**
- 2. Via the membership form sign-up to follow the guidance document produced by the club, and accept the club's measures to protect members from covid-19**
- 3. All players must bring a water bottle, personal sanitiser, a towel and a spare t-shirt to training**
