We are a volunteer run club, providing 22 hours of training sessions to club members each week throughout the season (September – April) plus indoor and beach provision through the summer. It costs around £14,000 per season to fund all of our club activities... so it is absolutely vital that we receive membership fees and donations from members, in addition to the fundraising events and sponsorships that we work hard to achieve.

Despite some rises in costs, we have held prices at the same rate as last season for all members as Trustees are keen to focus on fundraising and sponsorship to cover this.

Gift Aid membership include a voluntary donation which contributes to the ongoing upkeep of club equipment, and supports the wider development of club members – for example by enabling us to support our volunteer coaches to be provided with additional courses etc – all to provide our members with the best possible experience. If you are a UK tax payer making the payment please complete our Gift Aid declaration which will allow Newcastle Staffs. Volleyball Club to claim an extra 25% from the government on your total payment at no extra cost to you. If you are willing or able to do so, please make an additional voluntary donation through Gift Aid; in line with our charitable purpose we keep member costs as low as we can to encourage as many of the local community take part as we can.
